GOLF TIP!

How's the GPS system of your golf game?

That's right! How's your Grip, Posture, and Stance? These 3 factors are the most important fundamentals in anybody's golf game. Fortunately, the grip, posture, and stance are all part of our pre-shot routine, meaning they take place before we start to swing the golf club, which also means they're fairly easy to correct.

In the coming weeks we'll look at these and other fundamentals of golf to help improve your game by making it more enjoyable.
